PROJECT GRANT SCHEME MONMOUTH

Guidance Notes/Criteria

1. INTRODUCTION

Monmouth Town Council is pleased to announce that it has set aside funds for 2020/2021 to fund Community Projects in Monmouth.

Only one successful application for financial assistance may be made by an organisation in each Financial Year (April to March), and should be submitted **by noon on Friday 30th October 2020** for funding consideration in the financial year 2020/21.

Applications will be considered from organisations for projects which benefit people in Monmouth. The applicant is usually expected to raise at least 25% of the cost of the project or the equipment through other fund-raising activities, however, this round of grants will consider applications for 100% of the project costs if it can be shown that Coronavirus has impacted the organisations ability to fundraise to such an extent that finding 25% of the costs would be extremely difficult. This will be determined at the discretion of the Monmouth Town Council Community Affairs Committee.

Grants are awarded on a year by year basis and should not be relied on for further ongoing support.

2. WHO CAN APPLY

Applications are welcome from groups and organisations across the town.

Applications from national organisations having local branches may be considered, but must demonstrate that the project will be of benefit, either directly or indirectly, to communities in Monmouth.

Please note that applications from/for the following will **NOT** be considered:

- Individuals
- Organisations seeking to promote, support or oppose any political party
- Commercial businesses
- Organisations seeking to promote, support or oppose any religious group
- The scheme is not applicable to large scale construction works such as a contribution towards a new village hall.

Groups must clearly explain their status, i.e. voluntary, non-profit making business etc.

Grants for certain fund-raising activities, and other projects which are expected to realise a profit but require initial funding, can be made as a guarantee against loss or be conditional on the grant being returned if a profit is realised.

3. HOW TO APPLY

The application should identify and cost the project or equipment. Twenty-five per cent of the cost will have to be raised by the applicant through local fundraising or from balances, unless it can be shown that the organisations funds have been severely impacted by coronavirus.

The Council's application form must be completed by a responsible member of the organisation and submitted by noon on Friday 30th October 2020 for funding in the financial year 2020/21, with the supporting documents listed in the application form.

Please complete all sections of the form; it is not sufficient to refer to attached information. Where questions are not applicable, please insert "n/a" in the space provided and explain why.

Monmouth Town Council's Community Affairs Committee will consider and determine grants under the scheme. The Committee has full delegated powers to award the full grant allocation.

4. CRITERIA

Applicants must be able to demonstrate that a grant would enable them to contribute towards the Community Affairs Committee's aims and objectives.

Community Affairs Committee Aims:

To support and strengthen community participation, activities and events and to help develop a sustainable, welcoming community.

The Well Being of Future Generations Act puts in seven goals that public bodies, including Monmouth Town Council must work to achieve. Your project should address these goals in order to qualify for funding.

The seven goals are:

- A prosperous Wales
