

# PROJECT GRANT SCHEME MONMOUTH

## Guidance Notes/Criteria

### 1. INTRODUCTION

Monmouth Town Council is pleased to announce that there is over £13,500 available for the second round of 2024/25 Community Grants to fund Community Projects in Monmouth.

Only one successful application for financial assistance may be made by a project in each Financial Year (April to March), however an organisation may make more for different projects. Any Tranche 2 applications should be submitted **by Friday 15<sup>th</sup> November 2024.**

Applications will be considered from organisations for projects which benefit people in Monmouth. The applicant is usually expected to raise at least 25% of the cost of the project or the equipment through other fund-raising activities, however, applications for up to 100% of the project costs will be considered if there are extenuating circumstances. This will be determined at the discretion of the Monmouth Town Council People and Places Committee.

Grants are awarded on a year by year basis and should not be relied on for further ongoing support.

### 2. WHO CAN APPLY

Applications are welcome from groups and organisations across the town.

Applications from national organisations having local branches may be considered, but must demonstrate that the project will be of benefit, either directly or indirectly, to communities in Monmouth.

The following highlights what types of applications will or will not be funded:

- Grant applications will only be considered for projects and activities that will be undertaken in 1 of the 5 wards of Monmouth, and/or will be for the direct benefit of its residents.
- Grants may be given to fund core costs of community groups, direct delivery of projects/activities and revenue or capital projects (excluding the purchase of a building).
- Grants will not be awarded to any organisation if it is deemed to be a political party, has the nature of a political party, or is engaged in campaigning for a political purpose or cause.
- Funds will not be provided for the furtherance or propagation of a faith promoted by any organisation which is, or is deemed by the Council to be, of a religious nature. This does not exclude applications from faith-based groups who want to deliver community-based projects.

- No ongoing commitment should be given to the funding of salary costs or the project. This is a one off payment.
- The Council reserves the right to not fund community organisations that have outstanding debts to the Council.

Groups must clearly explain their status, i.e. voluntary, non-profit making business etc.

Grants for certain fund-raising activities, and other projects which are expected to realise a profit but require initial funding, can be made as a guarantee against loss or be conditional on the grant being returned if a profit is realised.

### 3. HOW TO APPLY

The application should identify and cost the project or equipment. Twenty-five per cent of the cost will have to be raised by the applicant through local fundraising or from balances, unless it can be shown that there are extenuating circumstances that can explain any inability to provide the required funds.

The Council's application form must be completed by a responsible member of the organisation and submitted by Friday 15<sup>th</sup> November 2024, with the supporting documents listed in the application form.

Please complete all sections of the form; it is not sufficient to refer to attached information. Where questions are not applicable, please insert "n/a" in the space provided and explain why.

Monmouth Town Council's People and Places Committee will consider and determine grants under the scheme. The Committee has full delegated powers to award the full grant allocation.

Representatives of short-listed organisations may be invited to present to the People and Places Committee to outline details and answer any further questions raised by members before final grant award.

### 4. CRITERIA

Applicants must be able to demonstrate that a grant would enable them to contribute towards the People and Places Committee's aims and objectives.
