MONMOUTH TOWN COUNCIL POLICY FOR COMMUNITY GRANTS

1. INTRODUCTION

- 1.1 Monmouth Town Council supports the Voluntary and Community Sector organisations because we believe that a vibrant Third Sector is vital to our community.
- 1.2 Under Section 137 of the Local Government Act 1972, the Council has the power to incur expenditure which in its opinion is in the interest of and will bring direct benefit to its area or any part of it or all or some of its inhabitants. The direct benefit accruing must also be commensurate with the expenditure to be incurred. The Council needs to continue to ensure that it has a transparent and fair grants scheme, ensuring that we comply with the 2015 Local Government Transparency Code.
- 1.3 There is further power to make grants to voluntary organisations providing recreational facilities under Section 19 of the Local Government (Miscellaneous Provisions) Act 1976.

2. SCOPE

- 2.1 This Policy applies to the allocation of grants to Voluntary and Community Sector organisations through the Council's Community Grants Scheme. It does not apply to any other means of financial support from the Council that may be available under other schemes.
- 2.2 This policy will be utilised by Officers and Councillors to guide decision making around the Community Grants Scheme. The Council may apply discretion to the policy in exceptional circumstances if it is deemed appropriate.

3. PURPOSE OF GRANT FUNDING

- 3.1 Monmouth Town Council is committed to supporting Voluntary and Community Sector organisations to help them deliver projects and activities which have a positive and beneficial impact on the local community and its residents.
- 3.2 The Council's Community Grants Scheme will make financial contributions to support certain Voluntary and Community Sector groups in Monmouth that actively assist the community to enjoy a better quality of life.

3.3 Funding will only be provided where it is demonstrated that a defined and positive impact will be made. Organisations must demonstrate an outcome focused approach and that their project and/or activity will clearly support one or more of the seven Wellbeing of Future Generations (Wales) Act 2015 goals which are:

- A prosperous Wales
- A resilient Wales
- A healthier Wales
- A more equal Wales
- A Wales of more cohesive communities
- A Wales of vibrant culture and thriving Welsh language
- A globally responsible Wales

Periodically, the People and Places Committee can review the amount available to the Community Grants Scheme and how this may be allocated.

4. **AVAILABLE FUNDING**

4.1 Community organisations can bid for funding for core costs, projects, salaries, events and equipment costs.

4.2 The Community Grant Scheme application process will be opened twice a year. Community groups are able to make applications to the People and Places Committee for consideration when the application process is open. A **project** can apply for only one grant per financial year, if successful. More than one application from the same **organisation** but for different projects can be submitted per financial year.
