

Monmouth Town Council

Pollinator Policy

Version 1- 03/08/2020

1. The Town Council shall use its status as consultee for planning applications with due regard to the positive and negative effects any future developments pose to the environment.
2. Where direct control of land management does not exist the Town Council will use its role to influence local agencies/ land owners, places of worship, community growing groups, allotments etc. to adopt the same approach to the management of their land.
3. The Town council will use the pollinator policy to support further trial areas for the non-spraying of glyphosate of “weeds” and actively work with the Highways department to suggest sites for these trials.
4. The pollinator policy will become the umbrella under which community groups and agencies will work with the Town Council on a unified approach to the strategic aims of the Climate Emergency, ACE and Monmouth Bee Town.
5. MTC has undertaken to maintain this status (Bee Friendly/Caru Gwenyn Status)
